

OBJECTIVE

The project was created to address the need for a comprehensive platform of services to help people travel.

CHALLENGE

There is a need to create a platform that can help people travel. The challenge was to create a platform that can help people travel.

USER RESEARCH

Conducting user research is a key part of the design process. It helps us understand the needs and behaviors of our users.

What are your users' needs?

What are your users' behaviors?

What are your users' pain points?

What are your users' goals?
